

Staging gun buybacks also provides us with the opportunity to gather useful data on the individuals who voluntarily participate in these events, and anonymously complete surveys. This data allows for us to better understand the reasons for having a gun in the home, who has access to the gun, storage practices, reasons for turning in the gun, demographics and distance traveled to the event.

To support our on-going efforts, please visit our website and donate today [www.s2pnortheast.org](http://www.s2pnortheast.org)

Swords to Plowshares Northeast is available to stage a demonstration in your community. To set a date please contact Jim Curry (860-712-3122; [s2pnortheast@gmail.com](mailto:s2pnortheast@gmail.com)) or Pina Violano (203-843-2002; [pina.violano@gmail.com](mailto:pina.violano@gmail.com))

Swords to Plowshares Northeast was created in 2017 as a violence prevention outreach program focused on reducing senseless firearm injuries and deaths.
