Ride Safer Vests

Car Vests

Ride Safer Travel Vests XS-XL

- Are you looking for a **safe, legal, convenient** travel car seat, secondary seat for carpools or for everyday use? The RideSafer vest is **the** certified, wearable child restraint. Lightweight, portable and convenient when **traveling with kids**. It can fit in your child's backpack).
- Crash Tested and Safety Certified. RideSafer meets or exceeds Federal standards in FMVSS 21.
- Vest comes with tether strap, crotch strap and carry bag.

Which Size RideSafer is Right for Your Child?

IMPERIAL | METRIC

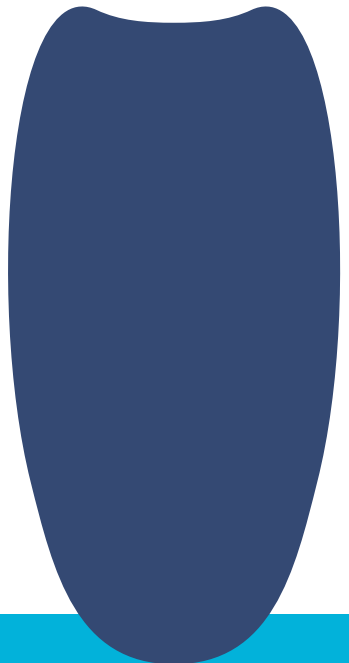

Size	Recommended Minimum Age	Average Ages	Recommended Weight Range	Waist (when seated)	Average Height	Torso Height (top of thigh to shoulder when seated)
Extra Small*	2 years old	2 to 3	22lb - 40lb	18" - 22"	29" - 40"	8" - 10"
Small	3 years old	3 to 6	30lb - 60lb	20" - 28"	35" - 48"	10" - 14"
Large	4 years old	5 to 11	50lb - 80lb	22" - 34"	45" - 57"	12" - 17"
Extra Large	5 years old	9 to 14	80lb - 110lb	24" - 36"	55" - 64"	14" - 19"

If your child seems between sizes and you are using it with a lap-shoulder seat belt, look more at height.

*XS size notes: The XS is designed for use by slim 2-year-olds or very slim, smaller 3-year-old children. Most 3- and 4-year-olds (and some 2-year-olds) will fit best in a small size vest. **Make sure to check your child's torso height and waist circumference measurements!**

Car Vests

**RideSafer Travel
Smarter Booster
TSBS16101BKR**

TravelSmarter® Booster Seat which is currently one of the lightest full-size backless boosters, and an alternative with the vest for children to ride safely and more comfortably.

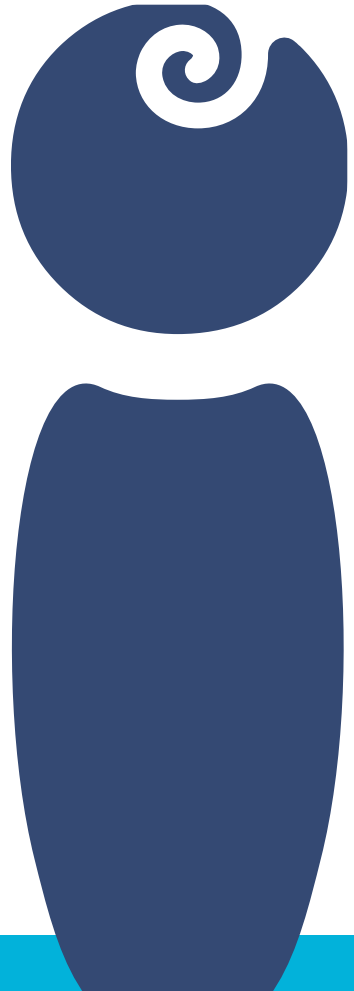

TravelSmarter® Booster Seat is tested and certified to the dynamic test requirements specified in FMVSS 213.

TravelSmarter® Booster Seat can be used for children of 40-100lbs(18-45kgs) in weight (approximately 4-12 years) and is used in conjunction with a 3 – point lap and diagonal safety belt(Shoulder Belt) in the forward-facing position only.

TravelSmarter® Booster Seat can be used with RideSafer® Travel Vest(Extra Small and Small Size) made by Safe Traffic System.

Chicco KeyFit 30
61472.51

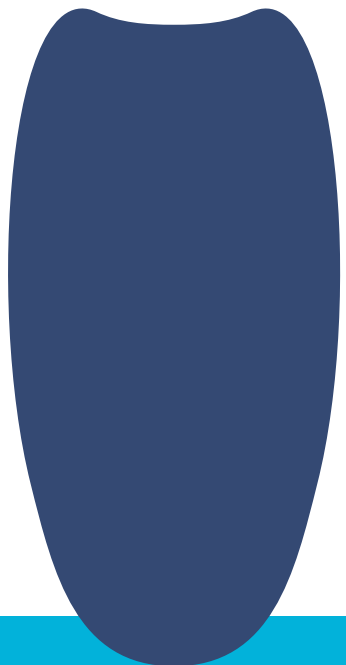

The top-rated Chicco KeyFit 30 Infant Car Seat is engineered with innovative features that make it the easiest infant car seat to install simply, accurately, and securely every time. The KeyFit 30's stay-in-car base (included) has a ReclineSure leveling foot and two RideRight bubble level-indicators to help achieve and verify proper angle in the vehicle seat. The base is also equipped with premium LATCH connectors and a SuperCinch tightener for a secure fit with a fraction of the effort! For alternate installation with the vehicle seat belt, clear belt routing and integrated lock-offs make it easy to position, tighten and lock the belt into place. A smooth underside helps protect vehicle seats from damage.

The car seat carrier includes removable head and body support to accommodate newborns as small as 4 pounds. A five-point harness with one-pull tightening helps keep baby secure, and the carrier shell is lined with EPS energy-absorbing foam for improved impact protection. An adjustable, removable canopy provides shade from the sun.

The KeyFit 30 is designed for travel system use with compatible strollers from Chicco. The carrier secures easily to the base and strollers with a reassuring audible click. A two-position carry-handle and one-hand release make it just as easy to remove.

For use from 4-30 lbs and up to 30".

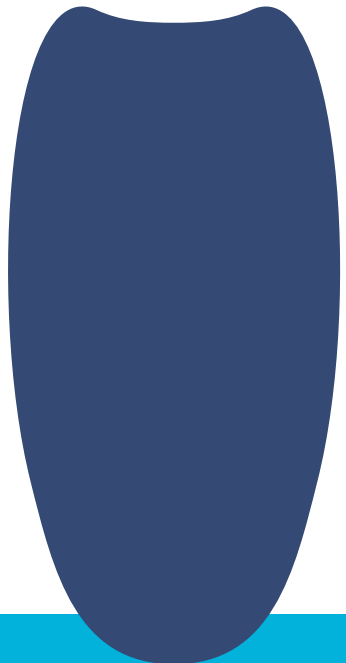

Infant Car Seats

Graco SnugRide 35 LX 2110186

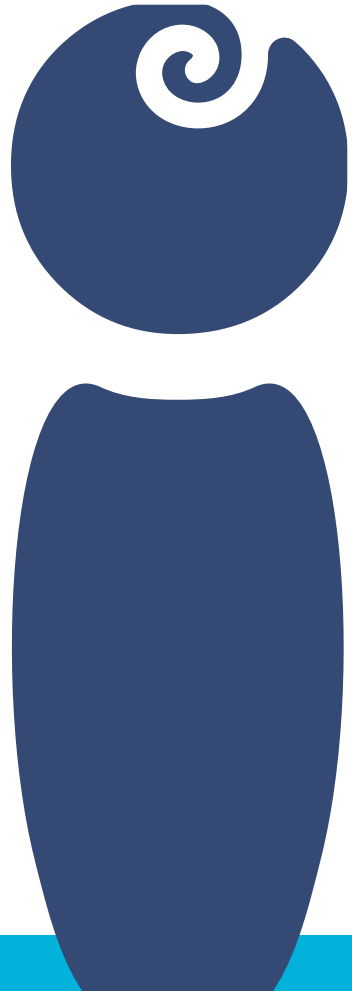

- Infant car seat helps protect rear-facing infants 4-35 lb and up to 32"
- Lightweight infant car seat weighs only 7.2 lb, making it easy to carry baby from car to stroller
- 4-position adjustable base helps ensure an accurate install and helps keep baby comfortable as he or she grows
- Easy-to-read level indicator helps eliminate installation guesswork from the installation process, so you can feel confident it's installed correctly
- Graco ProtectPlus Engineered: a combination of the most rigorous crash tests that helps protect your child in frontal, side, rear & rollover crashes; additional testing based on the New Car Assessment Program and for extreme car interior temperatures

Convertible Car Seats

Safety 1st Everslim DLX CC343HAY

The Safety 1st EverSlim All-in-One Convertible Car Seat is built to grow with your child while keeping them safe and comfortable on the road. With 4 modes of use—rear- or front-facing, belt-positioning booster, or backless booster—the Safety 1st EverSlim is ready to take your baby home from the hospital or take your big kid to soccer practice. The red-to-green indicator on the SecureTech™ chest clip visually shows parents if the chest clip is buckled or not. The seat's slim design allows for fitting 3 across the back seat in most vehicles without sacrificing safety or comfort. With a 5-position adjustable base, an easy-to-convert backless booster, and machine washable and dryable fabric, it's the only car seat your child will need, from birth through age 10.

- 4 modes of use: rear-facing (5–40 lbs.), forward-facing (22–65 lbs.), belt-positioning booster (40–100 lbs.), backless booster (40–100 lbs.)
- The red-to-green indicator on the SecureTech™ chest clip visually shows parents if the chest clip is buckled or not.
- Fit 3 car seats across in standard back seats
- Converts to backless booster with just one hand
- Base features 5-position recline
- Machine-washable and dryer-safe seat pad and infant inserts
- Seat cushion is made of comfy, memory foam
- Seat pad is made with antimicrobial fabric to inhibit the growth of bacteria and odor-causing microbes

Convertible Car Seats

Chicco NextFit Max 79740.23

Extended Rear-Facing Use with ClearTex® Comfort

The NextFit® Max ClearTex® Extended-Use Convertible Car Seat offers 25% more legroom* and a 50 lb. weight limit to comfortably maximize time in the rear-facing position. From textiles to tags, ClearTex® features no added chemicals for child comfort and parent peace of mind. GREENGUARD Gold Certified, the NextFit® Max ClearTex® has been tested for low chemical emissions, contributing to healthier air quality around baby.

Offering a seamless transition, the NextFit® Max ClearTex® provides more calf support in forward-facing mode and a 65 lb. weight limit. A 9-position, Easy-Extend Headrest System raises with the harness to effortlessly accommodate growth throughout both modes and a removable newborn positioner provides support for infants weighing 4-11 lbs.

Easiest to Install Correctly

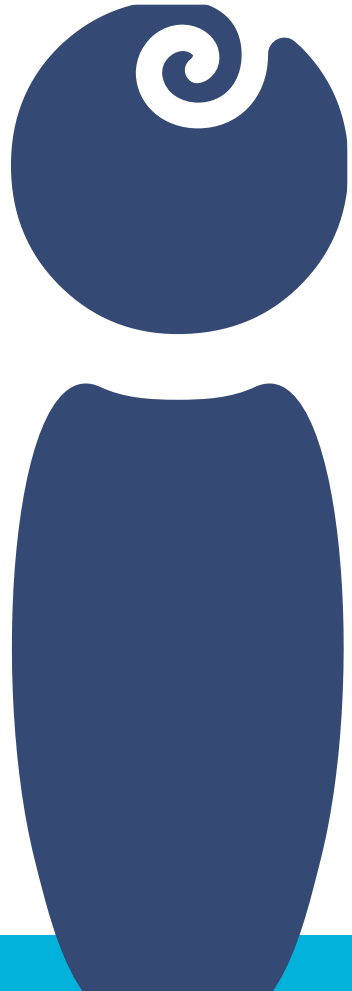

The NextFit® Max ClearTex® is designed with smart functionality that makes it the easiest to install correctly, every time. Dual RideRight™ bubble levels and a nine-position ReclineSure™ leveling system help verify and achieve proper angle in the vehicle seat. Premium connectors, a SuperCinch® force-multiplying tightener and the LockSure® belt-tightening system make it easy to achieve a secure install via LATCH or the vehicle seat belt.

For premium protection, DuoGuard® features a deep rigid shell and EPS energy-absorbing foam that surround the head and torso. The seat shell is also reinforced with a steel frame for superior impact protection.

NextFit® Max ClearTex® features a machine washable seat pad and a space-saving, dishwasher safe CupFolder for easy everyday use and cleanup.

Rotating Car Seats

Rotating Car Seats

Safety 1st Turn & Go 360 DLX CC346HAY

- SafetySwivel™ 360 DLX provides 360° seat rotation which makes getting kids in and out of the car easier than ever. Soft locks in the base keep the seat steady when buckling your child. The 1-hand release makes the seat easy to rotate.
- SecureTech™, Safety 1st's patent pending tension-sensitive red-to-green indicators on the seat's base allow you to see when your belt has tension—just look for the green! Built-in vehicle belt lock-off arm is designed to help secure the tension.
- Designed with an attached connection cord to ensure that the base and seat must be used together when installed.
- All-in-One convertible car seat for birth to 10 years with 3-modes of use: rear-facing (5–40 lbs.), forward-facing (22–65 lbs.), and belt-positioning booster (40–100 lbs.)
- 10-position headrest and harness adjustment for all growth stages
- 5-position recline options add to your little one's comfort
- SecureTech™ magnetic chest clip promotes struggle-free in-and-out buckling
- 2 removable dishwasher-safe cup holders

- Rotate from rear-facing mode with one hand to easily get baby in and out of the seat; listen for it to "click" back into position for a safe and comfy ride
- 3 modes of use: Rear-facing harness 4-40 lb, forward-facing harness 22-65 lb, highback booster 40-100 lb
- SnugLock® technology installs in less than one minute using vehicle seat belt or LATCH
- No-Rethread Simply Safe Adjust™ Harness System allows the headrest and harness to adjust together in one motion
- Choose the perfect headrest height from 10 positions to get the safest fit for your child as they grow

Rotating Car Seat

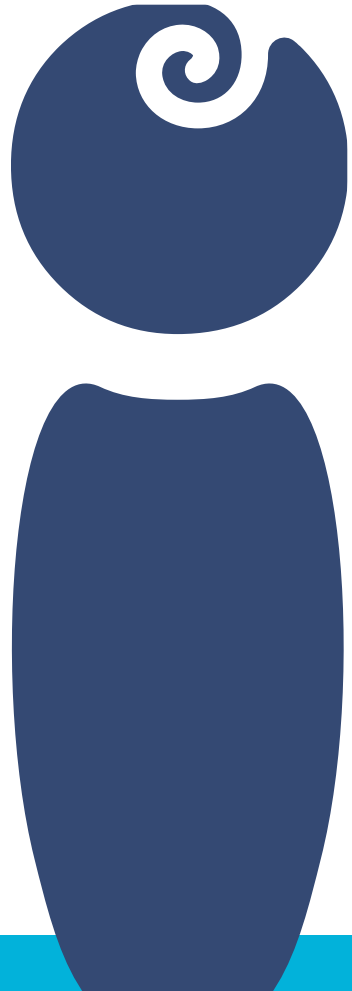

Chicco Fit 360
79690.95

- 360° one-hand rotation from face-to-face for easy loading/unloading to rear-facing mode (4-40 lbs.) or forward-facing mode (25-65 lbs.)
- Quick-Secure Harness System with magnetic chest clip, flex-forward buckle, 15-position easy-adjust headrest and easy-flow harness
- LeverLock™ self-tensioning lock system applies the correct amount of belt-locking tension with minimal effort for a secure installation
- One-time installation provides reliable stability over time, from rear-facing through forward-facing use
- The Fit360 base offers two RideRight™ level indicators and a 6-position ReclineSure™ leveling system making installation a breeze and providing a secure fit in your vehicle and a proper seated angle for your child's comfort
- Built-in, open ventilation on car seat back allows airflow, providing a consistently comfortable ride
- Ergonomically designed seat shell and ultra-plush seat pad for enhanced child comfort
- DuoGuard® head and torso protection with rigid shell, energy-absorbing foam and steel-reinforced frame
- Two flexible, removable dishwasher-safe cup holders
- Removable head and body support for newborns weighing 4-11 lbs.
- Once the base is securely installed in the vehicle and the seat is attached to the base, the red or green ready-to-ride indicators found on both sides of the base clearly indicate if the seat is properly positioned (green) or not (red) for travel in a moving vehicle
- ClearTex® flame retardant-free materials
- GREENGUARD Gold Certified for low chemical emissions, contributing to healthier air quality around baby
- Machine-washable fabrics
- Easy access QR code and ChiccoFit360.com digital resource

Booster Seats

Graco TurboBooster 2.0 2184596

- Helps safely transport your big kid from 4-10 years old, from 40-100 lb and up to 57 inches tall
- Graco® ProtectPlus Engineered™: a combination of the most rigorous crash tests that helps to protect your child in frontal, rear, and rollover crashes; additional testing based on the New Car Assessment Program and for extreme car interior temperatures
- The boost your child will love
- 2-in-1 seat easily converts from a highback booster to backless booster for years of use
- Height-adjustable armrests and hide-away cup holders will help keep your child content on the road

Booster Seats

Graco TurboBooster 2.0 2184500

Height-adjustable armrests for your growing big kid

- hide-away cup holders keep drinks and snacks within reach
- Machine-washable seat pad for easy cleanup
- Engineered and crash tested to meet or exceed US standard FMVSS 213. Designed to be the kind of stylish, comfortable seat your child will actually want to ride in
- Booster seat is rigorously crash tested to meet or exceed US safety standards and reassure safety-conscious parents. Do not use bleach to clean.
- Note: This model comes without latches. A booster is no longer needed once the vehicle seat belt fits properly, typically when the child reaches 4 feet 9 inches tall and is between ages 8-12. Be sure to check your local and state laws, as well as AAP and NHTSA recommendations, for car seat usage.
