Home Safety Kits

Pittsburgh, PA

We order them via Child Source/Mercury Distributing. Alan Mobus is the contact: amobus@childsource.com, 1-800-815-6330 ext 413. Attached is the current price list/catalog. They have a couple options for the kits.

Gun Locks

Charleston, SC

We distribute gun locks regularly here in SC. We often get ours from our state department of public health who is also our state Safe Kids lead. I have also gotten them from police departments and from grants. We partner with our local BeSMART chapter for education resources too.

Staten Island, NY

We get them from the Gun Violence Institute, but not sure where they get them from.
